Hidden & Peaceful - Steps to the Station

Just back from the main street, in an area experiencing some valuable development & investment, this hidden “one level no stairs” rear unit is a sanctuary of quiet and low maintenance ease which will prove ideally suited to young buyers, investors or empty nesters.

Filled with natural light, warm timber floors and crisp white walls enhance the open plan interiors which are crowned by lofty ceilings. Introduced by an entrance hall with built-in storage, the layout flows to the expansive and dining area which provides plenty of space to relax or entertain leading seamlessly into the smart granite kitchen boasting stainless steel appliances and a relaxed island bench.

Out from here, a landscaped patio gives options to dine outdoors and is easily accessed thanks to a rear roller door from the auto garage.

In a quiet zone, both bedrooms are very spacious and able to accommodate a queen-sized bed with ease. One with built-in and one with walk-in wardrobes, the bedrooms share the bright bathroom with a convenient separate powder room, while a laundry and split system round off the sparkling opportunity.

A quick walk to the station, fabulous cafes and dining, and close to a choose of retailers, the home is also within way reach of trams, parks and moments to the beach.
