For all year entertaining, this is the home for you!

With an alfresco setting to rival all others, there is no denying this 3-bedroom residence has been designed for entertaining. Looking out across the sparkling freeform pool and landscaped gardens, the home's sensational outdoor room features a built-in kitchen, heating, television and ceiling fans - it is definitely the place to be all summer long. And with open plan living spaces and a well-equipped kitchen gracing the interiors of the home itself, winter gatherings are also well taken care of!

Sitting high on Merton Close – a quiet, low-traffic cul-de-sac within Cheltenham's coveted Golden Triangle – the home opens to a warm and welcoming lounge, complete with cozy fireplace. Further on, a sundrenched meals area is the perfect spot to host a dinner party, whilst the adjacent kitchen showcases quality appliances and plenty of preparation space.

Each of the three bedrooms is of generous proportions; two boast built-in robes whilst all three share a bright central bathroom. A separate WC is found off the large laundry whilst an outdoor shower and additional toilet are handy for after a dip in the pool.
